Thank you for your interest in the lectures that Threat Suppression provides! Our staff have lectured at more than 1,000 conferences on five continents to a wide range of students. We have presented to small groups as well as audiences exceeding 12,000. Each year, we lecture at approximately 60 conferences to an average of 30,000 students. As a testament to our staff’s speaking ability, approximately 80% of our speaking engagements are return appearances and the other 20% are new engagements. In addition, more than 95% of all lectures have occurred as a result of word-of-mouth recommendations from students who have attended our classes at other conferences. Our staff has been recognized by multiple government agencies as some of the nation’s leading safety and security experts. This course has already been credited with averting at least one church shooting rampage.

Our eight-hour SAFE and POWER conference costs \$2,500.00. This training is provided at a 50% discount compared to all of our other training courses. We believe in the essential need for this training. Because of the time involved with a conference like this, we do have some basic requirements for churches that would like to host the training. These requirements are listed on the next page. We look forward to bringing this life-changing and life-saving education to you!

Regards,

The Team at Threat Suppression, Incorporated

Requirements to host the Threat Suppression SAFE and POWER conference:

The host house of worship is responsible for providing the following:

- Marketing and advertising of the conference to area houses of worship:
 - Threat Suppression can provide course marketing material for distribution
 - All churches, synagogues, and places of worship are welcomed to attend this training. This training is Christian-based; however, safety and security is an essential component of any place of worship.
 - Advertising of the course should begin 60-days prior to the course
 - Please note that the media frequently likes to do interviews with church staff regarding this training. Please notify Threat Suppression staff if you have any media requests. We can work with you to provide a media release or interview.
- Registration of all conference attendees:
 - The host church is responsible for vetting and registering all attendees.
 - Note that this conference is ONLY open to church leaders, those responsible for safety/security within the church, and active police/fire/EMS personnel. Those attendees who are not active public safety are required to bring a letter signed from their church pastor attesting to their need to attend to this training
- Providing a location suitable for the conference.
- Provide basic audio/visual equipment:
 - Lavalier microphone
 - Projector
 - Projector screen
- The course must be booked at least 60-days in advance so that we can confirm our availability and secure our instructors.
